Dear Donna:

Thank you for the donation of \$100.00 given in memory of Sally Savarese. This gift will purchase a Stingray Tile to read: In Memory of Sally Savarese by 27-80 Paddlers.

Florida Oceanographic's mission is *to inspire environmental stewardship of Florida's coastal ecosystems through education and research*. Our goal is to change the generational views of how we care for and preserve our unique environments.

Your support also enables us to continue our advocacy work on behalf of the public regarding the conditions of South Florida's water issues and the Everglades Restoration Plans. Conservation is the key to the stewardship of Florida's ocean and coastal resources.

Thank you again for your generous donation. Sally's sister, Anne Piland has been notified of your gift. If ever you have any questions or concerns, please feel free to call me.

Sincerely,

Mark D. Perry
Executive Director
